with Arab Migrant Communities in the GCC:

Long a recipient of migrants from its surrounding areas the Arabian Peninsula today comprises a mosaic of communities of diverse ethnic cultural linguistic and religious origins For decades while the Gulf Cooperation Council GCC states have housed and employed groups of migrants coming and going from Asia Africa and the West they have also served as home to the older more settled communities that have come from neighbouring Arab states Arab Migrant Comm This book is a reminder that Arab labour movements were at the origin of migration to the Gulf It brings out their current specific characteristics placing them in the broader contexts of foreign labour in the GCC and of international labour migration more
