By Bridget Anderson : Us and Them?: The Dangerous Politics of Immigration Controls an average of 104000 foreigners a day in arrive the united states this group includes 3100 who have received immigrant visas that allow them to settle and become thus conservation of that race which has given us the true spirit of americanism is not a

matter either of racial pride or of racial prejudice; it is a matter of love Us and Them?: The Dangerous Politics of Immigration Controls:

Us and Them explores the distinction between migrant and citizen through using the concept of the community of value The community of value is comprised of Good Citizens and is defined from outside by the Non Citizen and from the inside by the Failed Citizen that is figures like the benefit scrounger the criminal the teenage mother etc While Failed Citizens and Non Citizens are often strongly differentiated the book argues that it is analytically and p This balanced account belongs in all libraries Library Lane Effectively presents stories of intolerance from colonial times to the present The Horn Book Guide Each chapter in this excellent history focuses in depth on one individual s experience or
