Processing the Past: Contesting Authority in History and the Archives (Oxford Series on History and Archives):

3 of 3 review helpful Excellent intro to archiving but no page numbers By Riddy This book makes excellent points comparing the roles of historians and archivists in the shaping of social memory However why for the love of God are there no real page numbers This is one of my class texts and following along using Kindle s arbitrary location system is murdering my fingers Please gods of Kindle let us have an up
Processing the Past explores the dramatic changes taking place in historical understanding and archival management and hence the relations between historians and archivists Written by an archivist and a historian it shows how these changes have been brought on by new historical thinking new conceptions of archives changing notions of historical authority modifications in archival practices and new information technologies The book takes an archival turn
