By William E. Van Vugt : Britain to America: Mid-Nineteenth-Century Immigrants to the United States
(Statue of Liberty Ellis Island)

slavery in the united states was the legal institution of human chattel enslavement primarily of africans and african americans that existed in the united states of irish immigrants in america immigration to new york and other ports ellis island usa naturalisation records home > irish emigration > irish immigration to america Britain to America: Mid-Nineteenth-Century Immigrants to the United States (Statue of Liberty Ellis Island):

From 1820 to 1860 the United States and Great Britain were the two most closely interconnected countries in the world in terms of culture and economic growth In an important addition to immigration history William Van Vugt explores who came to America from Great Britain during this period and why Disruptions and economic hardships such as the repeal of Britain s protective Corn Laws the potato famine and technological displacement do not account for the great mid One of the great strengths of this book is the imaginative way that the author has turned the numbers into real people chiefly by an adroit use of county histories to provide life stories for a number of the new arrivals A noteworthy addition to immigrati
