By Eileen Hooper Greenhill : Museums and the Shaping of Knowledge (Heritage) museum id is an independent think tank for museum and heritage professionals innovative ideas between professionals working in museums and heritage the most interesting overview of museums in cape town gives a selection of the best culture and history of

museums in the mother city Museums and the Shaping of Knowledge (Heritage):

1 of 1 review helpful good introduction to museums By Lawrence I found this to be a good introduction to the history of museums and collecting which really got at the idea of how collecting and displaying art is about far more than aesthetics In fact it made me re think some of my assumptions about museums For instance museums have not always been seen as public places And as the author points out even public museum Museums have been active in shaping knowledge over the last six hundred years Yet what is their function within today s society At the present time when funding is becoming increasingly scarce difficult questions are being asked about the justification of museums Museums and the Shaping of Knowledge presents a critical survey of major changes in current assumptions about the nature of museums Through the examination of case studies Eilean Hooper Greenh
