Empires and the Reach of the Global brings the history of empires into sharp focus by showing how imperialism has been a shaping force not just in international politics but in the economies and cultures of today's world. Focusing on both the strengths and limits of imperial power, Tony Ballantyne and Antoinette Burton describe the creation and disintegration of the reigning world order in the period from 1870 to 1945. **About the Author** Tony Ballantyne is Professor of History at the University of Otago. Antoinette Burton is Professor of History at the University of Illinois at Urbana-Champaign.
