## Contemporary Membership:

Citizenship presents two faces Within a political community it stands for inclusion and universalism but to outsiders citizenship means exclusion Because these aspects of citizenship appear spatially and jurisdictionally separate they are usually regarded as complementary In fact the inclusionary and exclusionary dimensions of citizenship dramatically collide within the territory of the nation state creating multiple contradictions when it comes to the The Citizen and the Alien represents a crucial contribution to an intensifying but theoretically ungrounded debate on the sustainability of currently defined democratic principles in an era of extensive transnational migration Mark eacute ta Rulikov aac
