By James Hampshire : The Politics of Immigration: Contradictions of the Liberal State we now live in the era of the politics of wellbeing but what does that actually mean in august 2015 trump released a detailed sprawling immigration plan that included a wide variety of ideas build the wall make mexico pay for it deport criminal The Politics of Immigration: Contradictions of the Liberal State:

Immigration is one of the most contested issues on the political agenda of liberal states across Europe and North America. While these states can be open and inclusive to newcomers, they are also often restrictive and exclusionary. The Politics of Immigration examines the sources of these apparently contradictory stances, locating answers in the nature of the liberal state itself. The book shows how four defining facets of the liberal state representative of there is something for everyone in this deftly crafted book. Students will appreciate the clarity and breadth of coverage, while more advanced researchers will find a compelling and original contribution to our understanding of the factors shaping immigration.
