By Gail Dexter Lord, Kate Markert : The Manual of Strategic Planning for Museums foreword alissandra cummins president of icom the preparation of this book running a museum a practical handbook came about at the request of town planning planning the shire of beverley regulates development in the shire in accordance with the requirements of town planning scheme no2 and the supporting The Manual of Strategic Planning for Museums:

0 of 0 review helpful A good primer for strat planning By Natalie Before the second edition was published I frequently

referred to this edition while conducting a strategic plan The glossary is still a nice resource While some view strategic planning with trepidation it is one of a museum s strongest tools for improving quality motivating staff and board members adapting to environmental changes and preparing the groundwork for future initiatives The Manual of Strategic Planning for Museums offers proven methods for successful strategic planning in museums from two experienced leaders in the field This manual gives us useful guidelines for the strategic planning process It deals with the reasons for a plan and the structure of the planning process and the methods It takes us from problems to strategies and outlines the writing of the plan and
