4 of 5 review helpful Emphasis on shoe leather reporting By Edna Maye Loveless Using this text for an advanced newswriting course I like its emphasis on shoe leather reporting My entering students have learned the basics of newswriting skills but not necessarily the vigor of pursuing a story with many dimensions A proliferation of examples

produces not only sample news stories but a running account from myri This comprehensive book provides a wealth of exercises and assignments for teaching students reporting skills combining successful tried and tested techniques with an awareness of new realities and technologies in broadcast and print The authors take the student through a writing process initiated by ideas rather than concepts of correct writing covering writing in different media including the Internet news beats sensitivity and the diverse national community About the Author Jerry Lanson a writing coach and columnist has taught journalism at seven colleges and universities In January 1998 he joined the faculty of Emerson College as chair of its Department of Journalism and Public Information He has also taught
