By Christopher De Hamel : A History of Illuminated Manuscripts a brief history of illuminated manuscripts phil barber cambridge mass 02139 telephone 617 492 4653 historicpages illuminated manuscripts get medieval facts information and history about illuminated manuscripts fast and accurate facts about illuminated manuscripts A History of Illuminated Manuscripts:

7 of 7 review helpful Not What One Would Expect and All the Better for It By Nicholas After purchasing and perusing Introduction to Manuscript Studies by Raymond Clemens and Timothy Graham I purchased the book under review Christopher De Hamel s A History of Illuminated Manuscripts The former book is wonderful and prepared me for De Hamel s but De Hamel is so thorough that he includes much of the same information th Medieval manuscripts are counted among the greatest glories of Western civilization With their gold and painted decoration and their charming miniatures they have always had immense appeal and images from them can be seen everywhere from greeting cards and wrapping paper to expensive facsimiles This entertaining and authoritative book is the first to provide a general introduction to the whole subject of the making of books from the Dark Ages to the invention of pr From Library Journal This 1986 title throws light on the world of illuminated manuscripts which function as works of

both art and literature De Hamel provides a full history of the illuminated manuscript through text and dozens of glorious color illustrations
