From Brand: Aperture : Sebastião Salgado: Migrations: Humanity in Transition sebastio salgado migrations humanity in transition in early november pdns nancy madlin had the opportunity to interview sebastio salgado about migrations sebastio salgado migrations humanity in transition sebastio salgado without doubt sebastiao salgado is one of the greatest living photographers of our time Sebastião Salgado: Migrations: Humanity in Transition:

1 of 1 review helpful Fantastic photos quality printing by Aperture By BooksinCalifornia What a book The other reviewers capture the breadth and power of the images so I ll focus on the book itself I m reviewing the first edition

hardcover published by Aperture It s a high quality edition and in my opinion preferable to the later paperback edition The printing and binding is excellent and the reproduction InMigrations Sebasti Ntilde o Salgado turns his attention to the staggering phenomenon of mass migration Photographs taken over seven years across more than thirty five countries document the epic displacement of the world s people at the close of the twentieth century Wars natural disasters environmental degradation explosive population growth and the widening gap between rich and poor have resulted in over one hundred million international migrants a num Salgado s photographs do not call for action so much as for a change in consciousness The New York Times About the Author A world renowned exemplar of the tradition of concerned photography
