By Michael Olmert : The Smithsonian Book of Books americas national educational facility with 18 museums 9 research centers and 120 affiliates around the world shop for smithsonian books from the dk online bookstore learn about a range of subjects with books from the smithsonian institution at dk The Smithsonian Book of Books:

1 of 1 review helpful A book to excite the booklover s senses By Z Hayes I am a self confessed bibliophile and anything pertaining to books fascinates me This book of books by the Smithsonian is a delight for the senses I say this

because it is not a purely visual experience I could almost smell the old books portrayed within the pages of this book imagining myself leafing through time worn pages dreaming of exploring Through more than 300 glorious illustrations from library collections around the globe you ll discover a wealth of book lore in these pages and gain a new appreciation for the role of books in human society from our earliest attempts at writing and recording information to the newest electronic books from sumptuous illuminated and bejeweled medieval manuscripts to Gutenberg and the invention of movable type from the diverse arts and crafts of bookmaking to the buildi From Publishers Weekly This copiously illustrated celebration of books and the printed word crams a wealth of information into 320 pages studded with 311 color plates With infectious enthusiasm and an easy conversational flow Olmert who teaches Shakespeare at
