space identification the word quot;mexicoquot; is derived from mexica pronounced quot;me shee kaquot; the name for

the indigenous group that settled in central mexico **Contesting Knowledge: Museums and Indigenous Perspectives:**

This interdisciplinary and international collection of essays illuminates the importance and effects of Indigenous perspectives for museums The contributors challenge and complicate the traditionally close colonialist connections between museums and nation states and urge more activist and energized roles for museums in the decades ahead Regardless of one s ethnicity affiliation or experience museum professionals and public historians alike especially those with little or no experience working with indigenous communities or other stakeholder audiences will find this volume concerning
