Muslim in a Public School:

1 of 1 review helpful Great eye opening ethnography By KenDo I found the beginning a little shaky and wasn't entirely sure whether it was going to be a recount of each girl's unique experience as a hijabat or an analysis of the events of Sarroub's field work but it was ultimately a rewarding read Sarroub does a great job of highlighting the conflict for the hijabat regarding school and home life and emphasizes Based on more than two years of fieldwork conducted in a Yemeni community in southeastern Michigan this unique study examines Yemeni American girls attempts to construct and make sense of their identities as Yemenis Muslims Americans daughters of immigrants teenagers and high school students All American Yemeni Girls contributes substantially to our understanding of the impact of religion on students attending public schools and the intersecting roles This is an important book and should be read by anyone interested in American Muslim youth mdash Journal of Religion A well written and insightful book one that cannot fail to illuminate the lives of many young Islamic women who find t
