By David T.Z. Mindich : Just the Facts: How "Objectivity" Came to Define American Journalism listed here are just a small set of examples of the types of things that media coverage in the mainstream had often avoided or

lacked details of the term muckraker was used in the progressive era to characterize reform minded american journalists who attacked established institutions and leaders as corrupt Just the Facts: How "Objectivity" Came to Define American Journalism:

If American journalism were a religion as it has been called then its supreme deity would be objectivity The high priests of the profession worship the concept while the iconoclasts of advocacy journalism new journalism and cyberjournalism consider objectivity a golden calf Meanwhile a groundswell of tabloids and talk shows and the increasing infringement of market concerns make a renewed discussion of the validity possibility and aim of objectivity a cruc Few issues are as central to our understanding of journalism as the debate over objectivity In this original and engaging book David Mindich extends our understanding of it in many directions Mitchell Stephens author of A History of News
