By Timothy J Paulson : Irish Immigrants (Immigration to the United States) library of congress irish catholic immigration to america the irish constituted over one third of all immigrants to the united states irish and german immigration over seven and a half million immigrants came to the united states over two million irish eventually moved to the united states Irish Immigrants (Immigration to the United States):

1 of 1 review helpful Biased By Thea I got this book from the library to decide if it was worth buying and was very disappointed There was no mention of the Scots Irish Even though they were originally from Scotland they did immigrate from Ulster after having lived in Ireland for a number of years and populated large areas of Appalachia This

was a significant part of American history The book also appeared to be very The United States is truly a nation of immigrants Spanning the time from when the Europeans first came to the New World this book conveys the excitement of these stories to young people It highlights the themes people places and events that were important to each immigrant group Students studying U S immigrant groups will benefit from this wonderful set SCHOOL LIBRARY JOURNAL PRAISE FOR THE SET useful and interesting purchase of the complete set is recommended AMERICAN REFERENCE BOOKS ANNUAL PRAISE FOR THE SET
