Citizenship in Question: Evidentiary Birthright and Statelessness:

Citizenship is often assumed to be a clear cut issue mdash either one has it or one does not However as the

contributors to Citizenship in Question demonstrate citizenship is not self evident it emerges from often obscure written records and is interpreted through ambiguous and dynamic laws In case studies that analyze the legal barriers to citizenship rights in over twenty countries the contributors explore how states use evidentiary requirements to cr Writing on citizenship tends to take the legal status of citizens for granted nbsp But what happens when a government refuses to recognize its own citizens Citizenship in Question uniquely probes how citizenship status has been challenged by va
