By Bryan M. Jack : The St. Louis African American Community and the Exodusters discover the people and events that shaped african american history from slavery and abolitionism to the harlem renaissance and civil rights movement now that reconstruction too was dead in the south sarah moved north to st louis where a few of her brothers had taken up as barbers themselves having left the The St. Louis African American Community and the Exodusters:

2 of 2 review helpful Tightly written and highly readable By AfroAmericanHeritage When Reconstruction ended in 1877 blacks in the South were in some ways worse off than they d been before the Civil War Though slavery as it had been known was now illegal Southerners found new ways to subjugate black Americans through fear intimidation forced labor and murder For many Freedmen the only glimmer of hope for a reasonable In the aftermath of the Civil War thousands of former slaves made their way from the South to the Kansas plains Called Idquo Exodusters rdquo they were searching for their own promised land Bryan Jack now tells the story of this American exodus as it played out in St Louis a key stop in the journey west Many of the Exodusters landed on the St Louis levee destitute appearing more as refugees than as homesteaders and city officials refused aid for Jack does an excellent job of outlining one of the most important events in American history mdash The North Carolina Historical
