By Kathryn Ferguson : The Haunting of the Mexican Border: A Woman's Journey barnes and noble welcomes borders waldenbooks and their customers to discover their next great read at barnes and noble the nations largest retail bookseller monitoringstring = quot;81f1107463d5e188739a27bccd18dab9quot;monitoringstring = quot;e515715cc11bfd2d7009dd73cfdbe162quot;monitoringstring = quot;630c2418a1cab4c8f99991b8657516a3 The Haunting of the Mexican Border: A Woman's Journey:

3 of 3 review helpful One of the great ironies of the book is that Kathryn always felt By Michael J Svob Of the many border issue books that I have read in recent years Kathryn Ferguson's Haunting of the Mexican Border is one of the most rewarding Recounting the many trips that she took between Tucson and the Sierra Madre of Sonora and Chihuahua in order to make films about the indigenous people of the region The Haunting of the Mexican Border is a woman's view of the violence and generosity of the border For fifteen years beginning in the 1980s Kathryn Ferguson made documentary films in Mexico's Sierra Madre As she traveled south she encountered people who were traveling north and she learned that the border at which they converged was deadly Drawing on her own experiences this book explores how US immigration policies erode the lives of ordinary people The Haunting of the Mexican Border is a breathtaking work of art Ferguson's artistry shines in her prose polished and raw in a perfect combination and her ability to convey the beauty and power of humanity Story Circle Book
