Library Media Programs:

45 of 45 review helpful Just what we needed another set of standards set up by a vision committee By Reader in the

Pacific Am I way off base here or did School Library Media Centres really need another set of guidelines This thin volume outlines a more current set of standards guidelines without saying very much new I am beginning to think that saying something anything is the new coin of the realm I am part of this a As we approach the second decade of the twenty first century school library media programs continue to undergo momentous changes that have heightened the importance of technology and evidence based learning The focus has moved from the library as a confined place to one with fluid boundaries that is layered by diverse needs and influenced by an interactive global community Guiding principles for school library media programs must focus on building a flexible learning
