By Patricia Owen, American Association of School Librarians : A 21st-Century Approach to School Librarian Evaluation we would like to show you a description here but the site wont allow us archives and past articles from the philadelphia inquirer philadelphia daily news and philly A 21st-Century Approach to School Librarian Evaluation:

0 of 0 review helpful Digital edition is a mess By Mimi The digital edition of this book is a mess There are many formatting errors repeated text and extra characters within text There are only a handful of navigational links and the ones that are there do not work properly There are huge gaps between words and letters Lines of text are inconsistent

at times a line is made up of one or two words All of these errors A 21st Century Approach to School Librarian Evaluation uses the AASL Empowering Learners program guidelines as a basis for a school librarian evaluation rubric one that can be adapted or duplicated by school librarians and shared with school administrators Workbook style prompts walk school librarians through suggested readings action tips and evidence collection to help gauge their current levels of achievement set goals for progress and form plans fo About the Author The American Association of School Librarians AASL a division of the American Library Association ALA promotes the improvement and extension of library services in elementary and secondary schools as a means of strengthening the total educ
