4 of 4 review helpful Great RA resource By M Steffens This was a class textbook I probably wouldn't have purchased it otherwise as most libraries I've been to have pretty extensive readers advisory holdings Saricks is an outstanding describer of what a genre is about sure bets authors to introduce someone to a genre authors to introduce someone to other genres etc She's the reigning queen This revised edition provides a way of understanding the vast universe of genre fiction in an easy to use format Expert readers advisor Joyce Saricks offers groundbreaking reconsideration of the connections among genres providing key authors and themes within 15 genres an explanation as to how the different genres overlap and the elements of fiction most likely to entice readers Provocative and spirited The Readers Advisory Guide to Genre Fiction 2nd Edition That infectious pleasure in discovering interesting books and sharing them with readers is one of the deepest satisfactions of readers advisory work My goal with this book is that it might provide enough background in a genre to give a glimpse of what it is
