By John Moorman : Running a Small Library, Second Edition: A How-To-Do-It Manual for Librarians about this site librarians bibliophiles and lovers of nostalgia are all welcome here your librarians for this site are mary kelly and holly hibner we are public bibme free bibliography and citation maker mla apa chicago harvard Running a Small Library, Second Edition: A How-To-Do-It Manual for Librarians:

1 of 1 review helpful Great Book By Sarah This is a great book I had to get it for a class I m taking and I really like the information in it It is easy to understand and the chapters are fairly short so it is easy to get through It also has relevant

information that librarians should know Since running a small library public academic school or special often means making do with little or no staff this challenging task calls for its own set of skills and expertise That s where Moorman s how to manual comes in offering guidance on every essential aspect of what it takes to run a small library Fully revised and updated including a new chapter on digital library services the second edition covers such day to day issues as Budgeting from pla While intended for libraries with small staffs it encourages all to think big Leadership Management Division LMD blogIt would be most helpful to new administrators who come to the job with very little training or experience It will also b
