By Lesley S. J. Farmer : Managing the Successful School Library: Strategic Planning and Reflective Practice
the board role in strategic thinking and planning why do boards need to think and plan strategically simply put because it is at the very core of effective board the mission of the stanford graduate school of business is to create ideas that

deepen and advance the understanding of management and with these ideas develop Managing the Successful School Library: Strategic Planning and Reflective Practice:

To ensure their libraries survive and thrive school library managers need to be both responsive and proactive Looking past the day to day operations of a school library Farmer s book serves as a reality check school libraries must align with school mission statements and policies while simultaneously negotiating for proper budgets and resources alongside other departments It s a daunting prospect but Farmer demonstrates how it can be done with the proper attention Whether readers have just begun their careers or have years of experience they will benefit from this thorough dissection of each aspect of managing a school library An excellent addition School Library Journal This is one of those rare prof
