By James B. Gardner, Elizabeth E. Merritt : The AAM Guide to Collections Planning the aam guide to collections planning has 4 ratings and reviews every museum should have a clear vision of what it aspires to be but it may never be available in paperback every museum should have a clear vision of what it aspires to be but it may

never reach its goal if it can't shape and develop The AAM Guide to Collections Planning:

0 of 0 review helpful This book gave a great feedback and examples for me when I was writing By Lani Very informative This book gave a great feedback and examples for me when I was writing a collections plan for a small historical society Every museum should have a clear vision of what it aspires to be but it may never reach its goal if it can't shape and develop its collections as a whole This new AAM guide will help your museum create a collections plan the first step to gaining intellectual control over the collections and ensuring that you have the appropriate staff and resources for collections care The authors discuss building an intellectual framework writing the plan itself the planning process About the Author Elizabeth E Merritt is founding director of the Center for the Future of Museums at the American Alliance of Museums Washington DC
