des tudes africaines vol 50 no Immigrant Exclusion and Insecurity in Africa: Coethnic Strangers:

This book explores the diverse immigrant experiences in urban West Africa where some groups integrate seamlessly while others face exclusion and violence It shows counterintuitively that cultural similarities between immigrants and their hosts do not help immigrant integration and may in fact disrupt it This book is one of the first to describe and explain in a systematic way immigrant integration in the developing world where half of all international migrants g About the Author Claire Adida is Assistant Professor of Political Science at the University of California San Diego where she is also a faculty affiliate with the Center for Comparative Immigration Studies and with the Policy Design and Evaluation Lab Her wor
