9 of 9 review helpful A timely entertaining and instructive look at how we get our information online By Cyndy Levy
I am someone who uses online reviews A LOT I use online reviews to select which books I want to read next and what
birthday presents to get my grandkids I use online reviews for big purchases wine cooler mattress dining room chairs
and small ones a plastic cover for my iPhone guitar strings clear sle We live in an information saturated environment
and spend far too much time searching surfing skimming contributing and organizing the information in our lives We
spend too little time immersing ourselves in reliable high quality information We are often so buried in information
and strapped for time that we grab information like it was fast food without bothering to evaluate its quality This is a
handy and entertaining guide for anyone trying to understand how to find reliable information online whether it s
through Google or similar search engines or by using topic specific sites and databases Readers can certainly rela
