By Alana Harris : Rescripting Religion in the City: Migration and Religious Identity in the Modern Metropolis

Rescripting Religion in the City: Migration and Religious Identity in the Modern Metropolis:

Rescripting Religion in the City explores the role of faith and religious practices as strategies for understanding and negotiating the migratory experience. Leading international scholars draw on case studies of urban settings in the global north and south. Presenting a nuanced understanding of the religious identities of migrants within the modern metropolis, this book makes a significant contribution to fields as diverse as twentieth-century immigration history, the
