By Carol Ann Simpson : Copyright for Schools: A Practical Guide, 5th Edition (Copyright Series) imprint of john wiley and sons featuring a selection of books of jewish interest seventh edition whatever happened to penny candy seventh edition a fast clear and fun explanation of the economics you need Copyright for Schools: A Practical Guide, 5th Edition (Copyright Series):

1 of 1 review helpful Clear concise and eminently practical By Jennifer Grey Clearly written and relatively concise Simpson s Practical Guide offers just that for teachers and librarians looking to parse the finer points of copyright law

While the focus is largely on K 12 and school libraries those in higher education and academic public special libraries will also find solid guidance here Simpson begins with An updated edition of the standard comprehensive guide to copyright issues affecting schools this book provides the watertight copyright policy and plan that is a must for every school district bull Sample logs record keeping aids notices policies request letters forms and instructional materials bull Questions and answers on representative school situations involving copyright including hot topics like video yearbooks wikis and distance From School Library Journal This resource which has become the definitive guide for librarians only gets better and better as Simpson dives into murky and ever changing digital waters She expands the scope of the previous edition 2001 particularly in aspects
