muslims are the second largest religious group Islam in Urban America: Sunni Muslims in Chicago:

Recent world events have trained a harsh spotlight on the Muslim religion The misunderstanding and bias against Muslims in the US not only persists but it has deepened This study of an immigrant community in Chicago considers the formation and meaning of an American Islam The book has significant strengths The author writes well and interestingly Her almost anecdotal accounts of what happened at meetings of individuals and organizations capture the reader s attention and are backed by some evidence and by careful reflection
