1 of 1 review helpful Especially the content is perfect By MIHWA LEE Very practical guide book for cataloging materials by applying RDA Especially the content is perfect 0 of 0 review helpful Five Stars By Karen Strang It was very useful and met my expectations It was very cost effective 0 of 0 review helpful Good Whether a library catalogs

its own materials or not librarians still need to have some understanding of RDA Designed to be used by academic public and school librarians this is the perfect introduction bull Focuses on the new RDA rules and conventions and their implementation particularly in smaller libraries where there are no professional catalogers bull Presents FRBR and other aspects of RDA s theoretical framework in understandable term It gives the basics on RDA and provides a solid foundation For those wondering where to start The RDA Workbook is an excellent first step Technical Services Quarterly If you are new to the cataloging field or just beg
