By Stuart A. P. Murray : The Library: An Illustrated History a library is a collection of sources of information and similar resources made accessible to a defined community for reference or borrowing it provides physical or websites pomfret history of pomfret public library; pomfret historical sites pomfret 300 map; pomfret ct postcard archive posted by andrew lacasse The Library: An Illustrated History:

1 of 1 review helpful Learned lots of cool random things from this book By ARG Learned lots of cool random things

from this book Knowledge warehouse in parts of the world Chairman Mao was a librarian and Carnegie libraries come to mind The book itself is also beautiful lots of glossy pictures throughout Really interesting stuff going from ancient to current and really makes an effort to span the globe not just the West Throughout the history of the world libraries have been constructed burned discovered raided and cherished and the treasures they've housed have evolved from early stone tablets to the mass produced bound paper books of our present day The Library invites you to enter the libraries of ancient Greece early China Renaissance England and modern day America and speaks to the book lover in all of us Incorporating beautiful illustrations insight This may be the most beautiful book and the saddest that a bibliophile will ever read Most beautiful because it's illustrated on nearly every page with paintings drawings and photographs of libraries around the world Saddest because so many of those libraries
