university of hawaii at manoa 2016; aa in liberal arts honolulu community college 2013 The State and the Grassroots: Immigrant Transnational Organizations in Four Continents:

Whereas most of the literature on migration focuses on individuals and their families this book studies the organizations created by immigrants to protect themselves in their receiving states Comparing eighteen of these grassroots organizations formed across the world from India to Colombia to Vietnam to the Congo researchers from the United States Belgium France the Netherlands and Spain focus their studies on the internal structure and activities of these an insightful volume that makes a significant contribution to the scholarly field on transnationalism with a particular reference to the migration development integration nexus I would recommend this volume to anyone interested in organisational tr
