ohio west virginia and wisconsin A Dance Called America: The Scottish Highlands, the United States and Canada:

0 of 0 review helpful excellent pre Revolutionary war history of New England and Canadian territory By STEVEN K LANE As a history book this has a lot of information regarding that period of the 13 colonies just prior to the War of Independence in 1776 A period of history that not much has been written about Was surprised to find out how much Scottish influence is in the Canadian territory to the north of New England This is an account of what happened to the thousands of people who left the Scottish Highlands to make a new life in the United States and Canada The book evaluates the impact of people from the Highlands on the New World It is the story of how soldiers explorers fur traders lumberjacks guerilla fighters railway builders and pioneer settlers from the northern part of Scotland contributed to the United States and Canada A book that should be read by everyone of Highland descent and by any Scot who has more than a passing interest in his or her sense of nationality The Herald The definitive story of the Highland impact on the New World Scotland Magazine Meticulously resea
