2 of 2 review helpful The Digital Museum By David E Ramirez Although this book is a few years old there are some very interesting topics in here about how the digital world is affecting museums I thought this was a good read if you are interested in what is taking place with museums 4 of 5 review helpful Not suitable for academia NO PAGE

NUMBERS By M Ramsey Purcha Don't be afraid of the title The Digital Museum is not for techies but for anyone who cares about the future of museums and the impact of technology on our lives and institutions The revolution in communications technology has created a landscape that was inconceivable a generation ago How will the 21st century museum respond Twenty five authors leading thinkers in the fields of technology and museums The Digital Museum gives much needed context to recent technological advances in everything from handheld devices to social computing Each essay explores how relentless innovation is shaping our stewardship of and participation in museums The Digit
