By Daniel Traub : Little North Road: Africa in China kids learn about the silk road trade route from ancient china to europe goods such as silk porcelain and salt make china rich the north african campaign of the second world war took place in north africa from 10 june 1940 to 13 may 1943 it included campaigns fought in the libyan and Little North Road: Africa in China:

0 of 0 review helpful A way to coexist By Customer As a Chinese American who lived in China for 17 years I like the insightful text and the well thought out arrangement of the photos by Traub and the team The chaotic and yet peaceful coexistence of Africans and Chinese in Guangzhou led me to reflect on a deeper issue our different world views and

ways in treating foreigners America used to be known for its toler Little North Road is a photographic collaboration that looks at a pedestrian bridge in the middle of Guangzhou The bridge serves as a symbolic gateway into China from Africa At the heart of this book is a selection of images collected from two Chinese itinerant portrait photographers Wu Yong Fu and Zeng Xian Fang Equipped with digital cameras they have made a living making portraits for Africans who wanted a memento of their time in China Daniel Traub s collaborative project transcends the traditional documentary essay by presenting multiple perspectives moving back and forth from his own recordings of city life to portraits taken by two local photographers who have given Traub permission to p
